Omologation 2024, Update 2025.

Size A4 for all the maps, printed on Teslin (for all classes except MW 18 and MW20) or Blueback paper in plastic bags (for classes MW 18 and MW20).

Start

Start is 600 m, with 20m climb from the Arena, about 10' walking time.

A warm-up map is available near the secretary office.

The start is a delayed start, and the start point is 60 meters from the map distribution.

First start at 15.00. The time shown on the start lists indicates the time of start after 15.00 (e.g. 01.42 means a starting time at 16.42)

Finish

Also at the finish will be active in AIR+ mode. As on the other controls, It will be possible to punch in standard mode (by inserting the SI-card into the SPORTident station) or with AIR+ mode (using a SIAC card). In case of mistakes (for example: problems with the SCard, missing or wrong punches, or other), the competitors must ask to the data processing supervisor to clarify the problem.

Map collection

Just after the finish there will be a bag for every team where the competitors must leave the map.

Otherwise the entire team could be disqualified.

The maps will be returned after the end of the race.

Withdrawals

The competitors who do not finish their race must go to the finish to leave the map on their own team bag.
